JUDY GENSHAFT HONORS COLLEGE

The USF Alumni Awards honor outstanding alumni and friends who have achieved professional success and made meaningful contributions to USF and the community. These prestigious honors — the Distinguished Alumni Award, Donald A. Gifford Alumni Service Award and Class of '56 Award — are the highest recognitions the university bestows.

Held during Homecoming Week, the Alumni Awards Dinner draws honorees, university leaders, alumni and supporters. Sponsors gain visibility among a global network of over 400,000 living USF alumni and align themselves with a top-tier research institution.
